

SWEATY FEET?

TIRED OF SOAKING YOUR SOCKS?

Formadon and **Forma-Ray** are formaldehyde solutions designed for drying the skin.

Application to the feet a couple times per week will fight the most sweaty of all feet.

The product has a pleasant perfume scent.

Ask the doctors about **Formadon** or **Forma-Ray** if you are interested.

There is no need to suffer from wet, soggy, drenched feet any longer.
